

IMPACT CITY FC ANNUAL REPORT 2020/21

What an amazing year it has been! The global pandemic made this year a year like no other, but with great challenges come great rewards!

Thanks to incredible donors and staff, Impact City FC has a lot to be thankful for...

In a time when organizations were downsizing, Impact City FC was growing. Our staff multiplied into three cities and saw an average of over 1 athlete per week making a first-time decision to follow Jesus this year. Impact City FC staff ministered to unknown players as young as four years old on the field and to known players on USA National Team through chaplaincy.

Impact City FC club teams won leagues and tournaments, while being disciplined in the Scriptures and trained in leadership through our partnership with the John Maxwell Leadership Foundation. But perhaps their greatest highlight and joy has been serving in underserved neighborhoods through our CityReach programs.

Players are being developed, and lives are being transformed. To God be the Glory.
